Information about ONLINE Classes

Dear Students & Parents

Warm Greetings !

As you know the schools have been closed again due to Covid-19. Due to this it is a big challenge for all of us to keep the students' learning continued. No doubt this is done for our safety and well being but at the same time we also face a big challenge to continue our teaching and learning.

During such critical times, we want your utmost support and cooperation in making online teaching effective. Our online teaching will start from 6th January and details of the time table and weekly/daily plans will be shared with you by the teachers.

The classes will take place on School App " DAV HARIPURA ONLINE" as well as Google Meet/Zoom etc as per the convenience of the students.

You are also supposed to visit the school website www.davharipura.org from time to time to get the latest information.

The written work of the students must be given utmost priority and importance by all and we will collect your notebooks/tests etc time to time as per the schedule to be provided and for this purpose the students (the members of students council) have taken up the duty in various villages. They will work as volunteers to provide you the material sent by school and also collect your assignments/notebooks etc so you need to help them as well as take their help.

We are fully committed to provide you with the best services even during this tough time and we hope you too will reciprocate the same.

For any help/clarity contact your class in charges / the coordinators on these numbers -

Department	Name
