

Dear Students / Parents

The CBSE final submission of registration and LOC of classes 9th & 11th and 10th & 12th respectively is to be completed by 10th October by all means.

For this we invite the parents of wards of these classes to visit the school as per the schedule given to you by the coordinators.

If the students wish to come, they must bring Consent Letter from their parents as per the format provided to you via What's App groups.

CBSE Board Examination Fee is also to be paid and the amount for the same can be confirmed from CBSE circulars available at CBSE website as well from school office on working days or by phone calls.

Please ensure that you do the needful in the given time otherwise you will be liable for late fee and other charges as per prescribed by CBSE.

Thanks
