More comfortable and safe

Environmental Concerns

Pollution from vehicles

Need for eco-friendly transport

Doing part

Q.1 What are the advantages of airways? Mention five points.

Q.2 In which three ways are railways better than roadways?

English

***Story* :The Tailor and the Elephant**

Value points -- The story teaches us many important lessons. The elephant went to the river every day for a bath, and the kind tailor gave it food regularly. One day, when the elephant was in pain, the tailor helped it carefully. This shows the importance of being helpful to others. It also teaches us that kindness is always rewarded, and helping someone in need is a good deed. The story reminds us that we should treat others as we want to be treated, and good actions bring good results.

Homework: Write a story on The Tailor and the Elephant.
