**Science:** Chapter 6: Feeding Habits of Animals Mind Map: Feeding Habits of Animals

**Herbivorous Animals**

Animals that eat only plants

Food: Grass, leaves, fruits, vegetables

Examples: Cow, Goat, Elephant, Horse

They help in keeping nature balanced.

**Carnivorous Animals**

Animals that eat flesh of other animals

Food: Meat

Examples: Lion, Tiger, Leopard

They are strong and sharp-toothed animals.

**Omnivorous Animals**

Animals that eat both plants and animals

Food: Plants + Meat

Examples: Bear, Dog

Human beings

They have mixed food habits.

### Key Points

All animals need food to grow and stay healthy

Different animals have different feeding habits

Feeding habits depend on teeth and body structure.

Question 1. What are carnivorous animals?

Question 2. Name the kind of teeth that help a cow to chew the grass.

Question 3. Match the animal to the correct group.

Write H for Herbivore, C for Carnivore, O for Omnivore

- a) Cow -----
- b) Tiger-----
- c) Bear -----
- d) Elephant -----

### **Social Science : Value points:**

Our homes are the places where we live with our family and feel safe. Different people have different types of homes, such as houses made of mud, bricks, stones, or wood. Homes protect us from heat, cold, rain, and wind. We should always keep our homes clean and take care of them. Homes also teach us about our traditions and help us live happily with our family and neighbours.

\*Homework\* Questions:

1. Who do we live with in our home?
2. How do homes protect us?

### **English: \*Essay\* Our School Principal**

Our school principal, Mr./Ms. [Principal's Name], is very kind and helpful. He/she takes care of all students and teachers. The principal encourages us to study well and follow school rules. He/she also helps students when they have problems.

Homework: Write 12 lines about Our School Principal.
